

École Sir John Franklin High School Dance Credits

Each grade level of dance is a 5 credit course. Students must complete a minimum of 125 hours of dance instruction. Students are able to count their classes as far back as grade 8 (5 years). Students that complete enough hours to receive credits will be awarded a 75% or a 95% on the recommendation of the Studio Directors.

A 75% typically is a student that is taking the classes and performing and participating in the year end show.

A 95% would be a student that excels in the classes and performs multiple times in a year.
