

COVID-19 Daily Screening At Home

Screen for COVID 19 symptoms every morning with every child in your care.

Children who show any of these symptoms at school will be kept safe and you will need to pick them up promptly when notified.

Please check any that apply. ✓

Does your child have any of the following signs or symptoms?

Fever

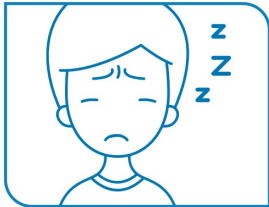

New or worsening cough

Shortness of breath or difficulty breathing

Runny nose, nasal congestion or sneezing

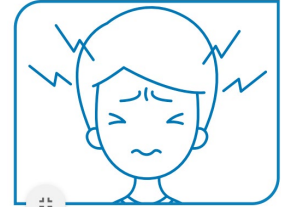

Feeling generally run down and tired

Body aches, pain or chills

Sore throat, hoarse voice, or difficulty swallowing

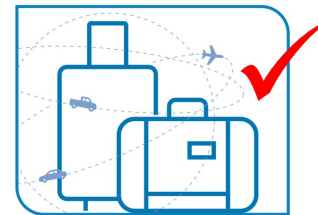

Headache

Diarrhea

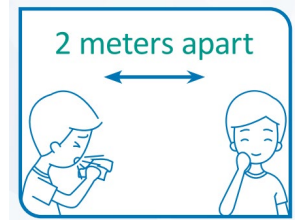

Nausea/vomiting

New loss or decrease in sense of taste or smell

Has your child travelled outside of the NWT or had close contact with anyone who has travelled outside of the NWT in the past 14 days?

Has your child had close contact with anyone who has presented with the above symptoms, anyone who has tested positive for COVID-19, or anyone who is awaiting a COVID-19 test result in the past 14 days?

If you checked any of the boxes ✓, please keep your child at home and contact public health for further directions.

You can find the public health phone number for your community at the following website:
